

5 CERTIFICATION

"I hereby certify that I have reviewed the groundwater monitoring system performance standards for the Lockwood Ash Landfill, located at the Lockwood Ash Disposal Site and owned and operated by Lockwood Hills LLC, and the requirements in federal regulation 40CFR Part 257 Subpart D - Standards for the Disposal of Coal Combustion Residuals (CCR) in Landfills and Surface Impoundments published April 17, 2015 and amended on March 15, 2018. The proposed groundwater monitoring system (with recommendations) has been designed and constructed to meet the requirements specified for CCR units in 40CFR 257.91- Groundwater Monitoring Systems. Any future modifications to the groundwater monitoring system will be certified and added to the facility's operating record."

I am a duly licensed professional engineer in the State of New York.
